* Defendants reserve the right to supplement this list should any plaintiff designate Dr. Ostergard as a general-causation expert in MDL Wave 2.

** Dr. Ostergard offers no general-causation opinions on the Mersilene sling and TVT products, and therefore the general-causation opinions he offers here do not apply to those cases (Boudreau, Henry, Parker, Pieper, Shelton) to the extent harm is alleged as being caused by these products. As for Parker and Pridmore, the TVT and TVT-O are the only product at issue and thus Dr. Ostergard's general-causation opinions offered here do not apply.
